Vietnam Industrial Park Stocks May Rise After Trump Victory

By Nguyen Kieu Giang

(Bloomberg) -- Shares related to Vietnam's industrial parks may rise as AFC Asia Frontier Fund sees potential FDI flows following Donald Trump's victory in the US election.

- "Trump will be anti-trade on China, which should be positive for Vietnam," says [Ruchir Desai](#), a co-fund manager at AFC Asia Frontier Fund in Hong Kong
 - More supply chain shift from China to Vietnam after Trump's win would lead to greater manufacturing related FDI inflows
